Soldier For The Empire

Kyle Katarn is a decorated graduate from the Imperial Military Academy who would forfeit his very life for the Empire. But he wouldn't forfeit his father's life, and that's what the Empire has taken. Kyle is willing to do anything to avenge his father's death which is what the Rebel Alliance is counting on. Join Kyle Katarn in this brand-new, fast-paced tale of adventure and suspense.

Rebel Agent

Secret Rebel Agent Kyle Katarn will do anything to avenge his father's untimely death at the hands of the Empire. When Kyle is threatened by 8t88 in a Nar Shaddaa bar, he tracks down the droid and secures a mysterious disk that could put him on the path to learning why his father was killed. Kyle soon finds that the disk contains information about a map to the Valley of the Jedi, a place his father had stumbled upon and kept secret. Now it's a race between Kyle and the Empire to see who can get to the map—and the Valley—first.

Jedi Knight

Kyle Katarn, Rebel agent and novice Jedi, has just returned from his covert operation to find the location of the Valley of the Jedi. But he knows that the evil Jerec, a dark Jedi with designs on the Empire's throne, knows where the Valley is too.
